ENTERED AS SECOND-CLASS MATTER
AT ARLINGTON HEIGHTS, ILLINOIS

ARLINGTON HEIGHTS, ILLINOIS, FRIDAY, JAN. 13, 1928

H. C. PADDOCK & SONS, Publishers
Arlington Heights, Ill.

SUBSCRIPTION \$2.50 — A YEAR

HIGH SCHOOL BOND ELECTION NEXT TUESDAY

The voters of Arlington Heights township high school district will go to the polls next Tuesday to vote upon a bond issue of \$125,000 in order that the board of education may build an addition to the present school building. That addition is badly needed today and there will be a much greater need for it next year.

The tax payers of Arlington Heights have learned by experience the wisdom of building streets, making public improvements and building school houses when they are needed. They have saved thousands of dollars the past few years by adopting such a policy. And in election Tuesday, they will not doubt give to the bond issue the majority that it needs.

If Arlington Heights, with the comparatively slow growth of the last few years, has outgrown its high school within five years, what is going to happen during the next five years?

When a high school enrolling fifty pupils builds a building capable of accommodating two hundred twenty-five pupils, it would seem that sufficient room had been provided to care for the needs of the school for several years. But when that number is reached and passed in only five years any further plan must be done with an eye to continued growth in the future.

With an enrollment of three hundred or more next year, practically assured, the high school board of education believes it is the part of wisdom to plan a building which will take care of the needs of at least six hundred pupils. Also to plan this building in such a manner that should the ultimate enrollment exceed six hundred, other rooms may be added without rearranging or remodeling.

The new building program is to be taken care of with no increase in the taxation rate. By extending the new bonds over a long period of time, as the present outstanding bonds are retired the present tax rate will take care of the new building. Boys and girls now in high school will soon become taxpayers and will help to pay for the accommodations now provided for them.

It is no secret that a great many school districts who build school houses are compelled to break the law in building such buildings. This forces them to pay out of the general taxes large sums of money for the attachment warrants that have been issued. This is what Palatine, Franklin Park, Bensenville and other districts are doing.

The Arlington Heights high school district will not have to adopt such a procedure if the voters approve the bond issue next Tuesday. A new law was passed by the last legislature giving the districts the right to increase their bonding power. That law has been declared legal by the supreme court.

If the voters refuse their consent, the job of building that high school addition without a legal bond issue will be before the board. The business like way, the economical way and the best way is to vote yes on the bond issue.

The new polling places, precinct one at Arlington Heights village hall and the other in Mt. Prospect Village Hall. The polls are open from 12 o'clock noon to 8:00 p. m.

Homer J. Byrd Sells Highway Frontage

Homer J. Byrd, after holding the property only a few months, has sold to Harry Summers 189 feet frontage on the Northwest highway, east of the Arlington Seating Co. The purchaser will operate a barbecue stand. This property was sold by Mr. Bouffard to Mr. Byrd, the Kuntz Realty Co., being the brokers in both transfers.

As we go to press word is received that Mrs. W. Cleveland died in Chicago Thursday.

SUBSCRIPTIONS BILLS

The publishers of this paper are mailing out subscription bills this week. From inquiries that we have received we realize that many subscribers have been waiting for those bills for some time. We are glad to state that they will not have to wait any longer. With over five thousand subscribers, the billing is being rushed as fast as one clerk can do it. If you have not received yours, it will be along in a few days.

And as publishers desire to express their thanks to their readers for the consideration that has been shown them in the past and it will be their aim to make this paper a still better paper. Many improvements are planned for 1928 and we trust that there will be no vacancies in the family of readers during 1928.

Note—Remember each subscriber receives only one statement, the payment of which entitles the reader to 104 issues during the year.

Otto Matthern is Stricken Suddenly

When his neighbors failed to see him about his place as usual on Tuesday morning they became suspicious that all was not well with Mr. Matthern, and Mr. Krunke and Mr. Scholow gained entrance to the Matthern home by forcing a basement door. They found Mr. Matthern in bed unconscious and apparently suffering from a stroke of some kind.

A doctor was summoned as quickly as possible. Mrs. Matthern and her daughter, had gone to Chicago for a short visit on Monday and Mr. Matthern was home alone. Not seeing him at his usual activities about the place brought his neighbors to the rescue and they discovered his helpless condition.

Dr. Gainer Celebrating New Year Breaks Arm

Dr. John Gainer discovered New Year's Eve that it is dangerous for even doctors to welcome the arrival of the new year. He has lost the temporary use of a good arm. He broke it when he slipped upon the snow while he was in the act of firing his gun. Dr. Gainer does not usually engage in such frivolous pastimes, but when he heard the celebrants welcoming in 1928, he simply could not resist making a little noise on his own account. He now wishes he had not done so. Dr. Gainer is a former Palatine boy and a son of Mr. and Mrs. J. F. Gainer of North Benton St.

New Residents Subscribes to Paper

Meyer Jacobs of Chicago is one of the many new lot owners in Palatine and so interested he is in Palatine's future that he comes out to Palatine frequently to see how fast the town is growing.

Mr. Jacobs was out last week to pay his special assessments and look over the town. Incidentally he took occasion to subscribe for the Palatine Enterprise and Cook County Herald so as to keep in close touch with the progress of Palatine. Mr. Jacobs is the owner of some very desirable business property on East Chicago Avenue and has great faith in Palatine's future.

Palatine Auxiliary Installs Officers

Installation of officers of the American Legion Auxiliary took place on Monday evening following the regular meeting.

Miss Laura McElhose, past president and Mrs. George Parker sergeant at arms of the Arlington Heights unit acted as installing officers.

Mrs. Clara Devermann, president. Rosalie Clark, junior vice. Elizabeth Gibbs, treasurer. Edna Senne, secretary. Victoria Perry, chaplain. Dorothy Mair, historian. Jessie Schroeder, sergeant at arms.

Clara Devermann presented the Mrs. Zimmerman, publicity woman, were the officers installed. Clara Devermann presented the retiring president, Elizabeth Gibbs with the customary jeweled pin, and Dorothy Gibbs Mair, gave her mother a beautiful bouquet.

Short talks by Mrs. Gibbs, Mrs. Herman and Miss McElhose were very interesting. Miss Edna Mair then read the activities of the unit during 1927, which was greatly enjoyed by everyone.

All joined in playing several games. Prizes were awarded to Bessie Kimball Cochenour and Dorothy Gibbs Mair. Mrs. Chas. Fitzpatrick, president of the Arlington Heights unit and Mrs. Arthur McElhose also of that city, also Mrs. Bessie Cochenour, of Decatur were visitors.

A delicious lunch consisting of salad, rolls, cake and coffee ended the evening's entertainment.

Mr. E. B. Wheeler is Singing in Rockford

Mr. E. B. Wheeler, whose voice is winning him renown, is singing this week in a Rockford theatre. Mr. Wheeler studied in Europe and is considered to have a big future before him.

Palatine Boys Are Winners in Bowling Tourney at Dinse's

Art Scholow and G. Sanborn are the winners of the doubles in the tournament held at the Dinse alleys at Palatine last week. Their total score was 1216. Scholow making 624 and his partner 622. Each received \$25 in prize money. There were eight other prizes, the lowest being \$4.00 which was won by bowlers from Dundee with a score of 1131.

Attorney Walter Senne won the singles with scores of 213, 239, 247, making a total of 699. Walter's prize was in proportion to the feat that he accomplished. Walter Witt was second in the singles and the above two Walters were second in the doubles. Mr. Witt shot 653 pins in the doubles. Mr. Wiener of Mt. Prospect was third in the singles and A. Scholow was fourth. Mr. Dinse states that the tournament was very successful and he wishes to thank the bowlers.

DES PLAINES INS. COMPANY REPORT GREATEST YEAR

The past year has been the biggest in the history of the Des Plaines Mutual and Cook Co. Farmers Mutual Fire Insurance Co.

With insurance approaching 12,000,000 and assets of over six hundred thousand dollars, the company is in a sound financial condition. Few companies in the state are as well situated. This was included in the report of the secretary given at the annual meeting at Mt. Prospect Tuesday.

The report of the secretary, Geo. Busse, was very interesting. The total number of losses the past year have been 268. This large number was occasioned by two windstorms in May, the one on the ninth of that month being the heaviest. There were also several barns burned. Every loss was settled to the satisfaction of the policy holders who sustained the loss.

Through the efforts of the secretary, the insurance department of the state of Illinois approved their new charter, which gives this company the right to give windstorm insurance to its policy holders. The state legislature passed an amendment two years ago that took away from certain class of mutual companies the right to write windstorm insurance. It was not until July of this year that the insurance department of the state discovered this change in the law and Mr. Busse was notified August 1, to discontinue the writing of such insurance. This was just five days before Mr. Busse was scheduled to leave for Europe. Immediately upon his return from his European trip, Mr. Busse went to Springfield and thru his efforts the state insurance department gave their approval and after the necessary changes were made in the charter, the Des Plaines and Cook County Farmers Mutual Fire Insurance Co. resumed windstorm protection to its members.

It was early last year that the local company took over the Cook County policies of the Barrington Mutual Insurance Co., which went out of business Jan. 1, 1927.

The terms of the following directors had expired and they were re-elected, all of them having served in that capacity over thirty years: Henry G. Winkelman, Leyden township; Wm. Kruse and Fred Wille, Des Plaines; Henry J. Schroeder of Palatine was elected to the position made vacant by the death of his father.

The directors whose terms had not expired were: Geo. F. Meyer, Arlington Heights; Wm. Roy, Glenview; Edw. L. Ruesch, Northbrook; John Van Bergen, Edinburg Park and Wm. Maas, of Park Ridge. The latter has been a director 42 years.

Following the meeting, the board of directors met and re-elected the following officers: Wm. Maas, president; Fred Wille, vice president; Geo. Busse, secretary-treasurer; Geo. L. Ruesch, assistant secretary. The financial standing of the company is given below.

Receipts
Jan. 1, 1927... \$12,356.79
Delinquent assessments... 54.46
Premiums... 3,220.52

Special Committee To Ask Aid North Towns

At the last meeting of the Des Plaines River Conservation League which consists of the Villages along the Des Plaines river and whose object is to clean up the Des Plaines river, a resolution was adopted directing the chairman, Mr. John De Leuw, to appoint seven members to serve as an executive committee. The following members were appointed: Mr. Charles De Leuw, Mrs. Jeanne Lawson of Lyons; Dr. Spencer S. Fuller of Riverside; S. B. Evans of Maywood; Mr. C. S. Stewart of Des Plaines; Mr. A. R. Ames of La Grange; and Mr. Charles H. Ziese of Schiller Park.

The Sanitary District has awarded contracts to construct intercepting sewers for the purpose of removing the corruption at Mt. Creek and the Des Plaines river as far north as North Avenue.

The president of the Sanitary District has expressed a desire to confer with this executive committee the latter part of this month, and if this committee can induce the Sanitary Board to take some definite action now, to relieve the municipalities north of North Avenue, then they will have achieved the primary object of the organization.

GIRLS GET YOUR MAN!

And come to the Leap Year Dance Saturday Evening, February 4, 1928 at Seip's Auditorium, Palatine, Illinois. Given by Sigma Deltas. Snappy Music.

The Sigma Deltas beckon to all girls to "Get Your Man" and bring him to the Leap Year Dance, to be given at Seip's Auditorium, Palatine, Illinois, February 4. They also advise all young men who are inclined to be bashful, to attend the affair, as they need not worry about having to ask the girl to dance, as the girl will be given the privilege of asking the young man. Here's an opportunity for both the young lady and young man.

Watch Your Step

Biltmore to Play Host to Scouts At Tournament

An announcement by Scout Executive Landene is made this week that will bring joy to every boy scout who owns skis. Here it is:

ATTENTION SCOUTS
The Biltmore Country Club at Barrington is giving the Scouts of this Council a real treat by extending to them an invitation to participate in the Ski Tournament held Saturday, January 14, at 2:30 o'clock.

Come on you guys, get your Skis, barrel staves, or what have you, any way come on. If you don't know how to ski, learn, you can ski all over the place. If it is impossible for you to try why you'll get an awful wallopp out of watching the others go off the new jump.

All those who would like to enter the tournament proper will have to be recommended by the Ski Association before they will be allowed to go off the jump. We don't want any fellows to come home with broken necks or any thing like that, their collars wouldn't fit any more you know.

The Club members not only invite the boys to come, but they will provide transportation from the station to the Club, that's fair enough, isn't it. All those who would like to go, one at a time please, don't rush, step lively boys, get in touch with your Scoutmaster and go in a body with your troop.

We'll see you in Barrington, will I, an' how.

Thieves Are Active At Mount Prospect

For the second time in thirty days the office of the H. Roy Berry Company, subdividers, located on the Northwest Highway at the south end of Mount Prospect, was broken into between 6 o'clock last Saturday evening and early Sunday morning. A stove and everything that went with it, several tables, some 14 chairs and various other items of furniture were removed.

This is the second time that this office has been broken into within thirty days. Early in December it was broken into apparently by the same set of thieves who at that time removed the stove and all the paraphernalia going with it.

The county highway police under the supervision of Lieut. Laird are working on this case and expect to apprehend the guilty parties within the course of the next few days. They have a line up on who they are from people who noticed the truck at the office while the furniture was being removed.

The H. Roy Berry Company has offered a reward of \$100.00 cash for any information leading to the arrest and conviction of any or all of the parties implicated in this crime. This is an opportunity for anyone who happens to know where the furniture is to collect a nice reward for handing this information to the Berry Company in confidence. Such information should be sent to Mr. H. Roy Berry at the company's main office, 77 West Washington Street, Chicago.

Sigma Deltas Give Leap Year Dance

The Sigma Deltas beckon to all girls to "Get Your Man" and bring him to the Leap Year Dance, to be given at Seip's Auditorium, Palatine, Illinois, February 4. They also advise all young men who are inclined to be bashful, to attend the affair, as they need not worry about having to ask the girl to dance, as the girl will be given the privilege of asking the young man. Here's an opportunity for both the young lady and young man.

As One Man Sees It "ICE MAN" OR "NICE MAN"

"Let 'em learn American words or get out," was the emphatic pronouncement uttered by an employee representative in the works council of a certain industry when the subject of printing certain announcements in the way of bulletins in various languages was under discussion. It had been the custom to print the various rules of the plant in Polish, Lithuanian, and Bonemian, in addition to English. The works council's committee had recommended that the usual rule be followed in the present instance and that reports of the doings of the council meetings should be printed so that all might know about them. But to the surprise of the management, the sentiment was generally opposed to this action.

"Let 'em learn the language of the country they live in, or go back where they can talk their own lingo," repeated the representative of the employees. "Why should we put up with people that live here and won't go to night school or learn English in our plant classes? I say put the announcements up in the language of the land and let 'em learn to read it. They'll never go to the trouble to learn so long as we cater to 'em."

"I agree with that," spoke up the representative of the men on the loading docks. "I've had some experiences with some of these folks that can't understand English. Once I nearly got in jail because a woman couldn't understand my talk. I was workin' on an ice wagon, runnin' a little business of my own. One day I noticed that a flat where I'd always sold ice to the people was vacant. A few days after that I saw somebody had moved in. So I went up to the back door to get a new customer before any of my competitors got to 'em first."

"Well, a nice lookin' woman came to the door. I found out afterward that she was from Cal. Breton, and while they talk what they call English there, it is different lingo from our way of pronouncin' words. I walked up to the door and rapped on it, and when the lady answered I said in my politest manner, 'Madam, would you like an ice man?'"

"Well, she stared at me like she hadn't heard, so I said again, 'Lady, do you want an ice man?'"

"She showed she had heard me all right then. What a row she raised. The neighbors came out to see what was goin' on. 'What do you mean by such an insult?' she shouted. 'By, me a decent white woman with my man only a year in his grave, and tryin' to earn a respectable livin', and you worthless scoundrel comin' to my door at eight o'clock in the mornin' and askin' me if I want a 'nice man.' I could have plenty of good decent men with a bit of money laid by, back in Cal. Breton before I left there, had I a wanted them. Do I want a nice man? Well, I'll show you I don't want you. Get out of here before I have the law on you.' And she grabbed her broom and took a whack at me before I could get out of reach. Mad, I'll say she was, and she drove me down the steps to the street, tellin' all the neighbors about it. I got away as quick as I could for fear she would call the police. After I was gone some of the neighbors that knew me explained that I wanted to be her 'ice man' and not her 'nice man,' and later on I got her for a customer, too."

"Many a laugh we've had about it since. But it wasn't so funny then. So I second the motion that we print our plant notices in English, and make every body on the plant learn to understand 'em.' The motion carried."

The Harmony Club was at the home of Mrs. C. Trost Thursday afternoon. High scores were won by Mrs. John Hosen and Mrs. Wm. Beiser. Mrs. Henry Beiser consolation. Refreshments were served.

M. E. PARISH HOUSE OPEN FIRST TIME

Members of the Arlington Heights Methodist church congregation had the opportunity last Sunday to participate in their first service in their new parish house. So many people came to church that many had to be turned away. The parlor that was open to the service seated about a hundred and after the space in the adjoining hallway was occupied there was no more room.

It will be a different situation next Sunday, when a larger room will be used for the service. Three hundred chairs are expected within the next few days.

This new church building is still in the hands of the workmen and comparatively few visitors have been able to find their way about the premises, but the work has so far progressed that a good idea of the church plant, itself, is obtained by the visitor. Few church plants in the northwest suburbs are better arranged. The idea of a parish house was uppermost in the minds of the architect who prepared the plans and of the church committee which accepted them. It is so arranged that the parish house can be operated distinct and separate from the church proper. Contrary to the often expressed belief of those who have not entered the structure, the church auditorium is contained in the new section, extending north and south. The altar, choir loft and other attachments of the place of worship are unusual in this vicinity, being modeled after the New England style. It is too early to go into the details of the church room and it is understood that as the auditorium nears completion, it will be closed to visitors until the date of its dedication, which will be near Easter. That is the earliest date that Bishop Hughes could promise to be present.

The pipe organ has been ordered. It is a replica of one at Mooseheart over which pipe organ concerts are often broadcasted. It is planned to have prominent organs from Chicago reside at the organ upon the two dedication Sundays.

A long wide hall or vestibule extends from the entrance to the west end of the building and separates the church proper from the parish house. The first floor of the latter is devoted to Sunday school rooms and a large hall for the use of the women with a natural fire place will be fitted up with the furniture of a home living room. The primary and intermediate departments will have their quarters upon the same floor and a second and larger parlor extends across the front of the parish house. A small kitchenette is also upon this floor.

The gymnasium auditorium is upon the second floor. It is true that the gym is not as large as some, but few halls have a more complete stage. It is so constructed that elaborate scenery can be used. This floor will also be used as the dining room and the kitchen adjoins.

There is still a third floor with class rooms, showers, etc. There are no stairs yet installed, but it will not be long before the building will be in the hands of the finishers. In fact the hardwood floor of the gymnasium is now being put in place.

It is the intention of the church board to dedicate the parish house as soon as it is completed and the use of that section of the building will not be delayed until the visit of Bishop Hughes. However, the church room, itself, will not be used prior to Easter time.

"His Best Investment" a comedy will be the first play that will be given in the new Arlington Heights Presbyterian church hall, Feb. 7. Do not forget the date. Further details later.

Palatine-Arlington Game Will Provide Action and Interest

Heights Makes Record Sale of Xmas Seals

The committee in charge of the sale of Christmas seals in Arlington Heights, of which Mrs. Allen is chairman, met Wednesday afternoon and prepared their final report. A total of \$539.29 was collected, which is \$116 greater than last year. This gain is largely due to the general sale of the five dollar bonds of which 53 were sold. Three business houses purchased, \$25 bonds and one a \$10 bond. The business people and others in the community realize more than ever before, the great good that the community nurse is doing in Arlington Heights. The C. T. L. expends much more money in Arlington Heights than is paid for the Christmas seals by local people. They are glad to do this because they realize that this town is co-operating in every way.

In addition to the money raised by the grade schools, amounting to \$84.20 the high school sold \$29.67 worth of stamps, the Catholic school \$20 and St. Peter's Christian Day school \$10.58. The committee is very much pleased over the record that was made this year.

Mrs. Theodore B. Sachs, superintendent of the Chicago Tuberculosis Institute, wishes to thank all who so generously cooperated in the Christmas seal campaign. Without the assistance of the faithful friends of the Christmas seals, this drive could never be a success. To the clergymen and others who presented the matter in the churches, the teachers who assisted in the schools, the nurses who helped at the booths and to numerous other groups, sincere thanks are due.

The work of the editor of the Cook County Herald is especially commended; the newspapers make a wonderful contribution in presenting the seals and the health programs to their readers.

And all who bought Christmas seals, either by mail or otherwise, will please consider this a letter of gratitude.

School Suit Is Withdrawn

The court proceedings that caused the delay in the construction of the new high school building are at an end. The actual withdrawal proceedings were filed the week and the attorneys for the school board and the contractor have been so notified. It is expected that work will be resumed at once and that plasterers will be at work very soon. With the outside work completed, there is no reason why workmen can not be kept busy the rest of the winter and perhaps the commencement exercises can be held in the new building.

The first game will be called at 7:30. This game finds two pretty evenly matched second teams and should be anybody's game throwout. The second game will start at about 8:30 and will no doubt be at least thirty-two minutes of fireworks. When the gym is filled to capacity the doors will be closed. This will be necessary in order not to cut down the size of the already small floor. This is to be Palatine's home game, and Arlington season tickets will not be accepted at the gate.

Palatine Lions to Be Hosts to Number Neighboring Lions

Next Tuesday is going to be a big night in Palatine for the Lions of this town and for as many from Barrington and Arlington Heights who will accept Palatine's invitation to enter their den upon this occasion. There is no special event being celebrated. Palatin is taking this opportunity to extend the glad-hand to their neighbors.

Cook County Fair Accepts Offer of Arlington Park

The future of the Cook County Fair is assured upon a bigger and greater plan, was the sentiment of the stockholders of the fair when they met Thursday evening. The proposition of American National Jockey Club for the use of Arlington Park the coming year was accepted. Attorney Walter Senne made the offer and it proved acceptable to the stockholders. The details are yet to be worked out and a committee has been appointed for that purpose.

The report of the treasurer showed that a profit of \$4,000 resulted from the 1927 fair and that amount of previous indebtedness was wiped out. Farm adviser O. G. Barret was present and assured the fair officers the full support of the Cook County Farm Bureau the coming year and asked the secretary to prepare a report to be presented to the annual meeting of that body Jan. 16.

The attendance was greater than at any previous fair meeting. A permanent home for the fair association may be possible upon the grounds of the American National Jockey Club, which will raise the fair from the usual country class into an agricultural exposition unequalled outside of the state fair. A premium list totaling \$50,000 is a possibility next year.

The officers elected are: C. C. Hildebrandt, Pres.; C. D. Taylor, 1st Vice Pres.; H. H. Devermann, 2nd Vice Pres.; Dan Bergman, 3rd Vice Pres.; R. L. Peck, Ralph Hildebrandt, R. H. Messer, Otto Mess, J. H. Meyer, Herman Waseman, Directors; T. C. Hart, Sec. and Treas.; Anton J. Cermak, Chairman of Advisory Committee; E. J. Tobin, Chairman of Junior Cook Co. Fair.

"His Best Investment" a comedy will be the first play that will be given in the new Arlington Heights Presbyterian church hall, Feb. 7. Do not forget the date. Further details later.

Palatine and Arlington Heights will tee off tonight in the first of two basketball doubleheaders scheduled for this season between the two basketball doubleheaders will be played Friday, March 2, and will be the last games for both squads, both completing their regular schedules on that night. Today being Friday, the thirteenth, one of the two teams is bound to be unlucky enough to lose. Both squads have been very wary of all the old superstitions connected with the number thirteen for the past few weeks. It has been rumored that the Palatine squad was seen the other night out in the graveyard in the light of the moon hunting blind rabbits to get their left hind legs with which to woo the goddess of chance. And it is a known fact that the Arlington squad has been warned by their supporters to handle mirrors carefully, not to walk under ladders, or spill salt, and it's a sure thing that both teams will try not to get a glimpse of the basket tonight over their left shoulders.

In spite of all these things the game tonight should be a classic and should necessitate the early hanging out of the S. R. O. sign.

Both squads are being prepared to fight to the last ditch in an endeavor to bring home the bacon of victory to their schools. Arlington is considerably the under dog in this game. Palatine has a veteran squad of big battlers, while the Arlington ponies will have to depend upon speed and shiftness for any hopes of victory that they may have. Practically the same Palatine squad romped over the locals twice last year to win by comfortable margins both times. Last Friday Arlington lost to the heavy Libertyville squad 32-14. On the next night, Palatine fought Libertyville to a 19-18 game on the Libertyville floor. On Tuesday night of this week Palatine beat Leyden by a 23-14 score, and Leyden is the only team in the conference so far to defeat Libertyville. All this points to a big advantage for Palatine and there is no doubt but what Palatine will put up a tremendous battle to continue the string of defeats Arlington has been receiving at their hands of recent years.

Knowing all this the Arlington team still feels that it has a chance of victory and they can be depended upon to make the fight of their lives to win. They know that Grandy, Smith, Reuss and Cruse will have to be watched continually to keep them from piling up a big score, but the Heights sharpshooters are firmly resolved to take a hand in this scoring themselves and will endeavor to keep out in front of the flying Palatine outfit by a continuous bombardment of the drapery.

The first game will be called at 7:30. This game finds two pretty evenly matched second teams and should be anybody's game throwout. The second game will start at about 8:30 and will no doubt be at least thirty-two minutes of fireworks. When the gym is filled to capacity the doors will be closed. This will be necessary in order not to cut down the size of the already small floor. This is to be Palatine's home game, and Arlington season tickets will not be accepted at the gate.

Prepares Plans For 1928 Flower and Garden Show

The Chicago Flower and Garden Show will be much bigger than last year. Mr. Bangs is doing considerable of the designing of the gardens that will be shown there and Flynn-Gabel and Bangs will have the large garden in the ball room. The show does not take place until March, but plans are being made at this time.

Sketches of Army and Navy Over Radio

An interesting series of sketches on the Navy and Army life are being broadcasted each Tuesday evening at 8:40 p. m. over the Guyon's Paradise Ballroom Radio Station, WGCS, Chicago.

These sketches deal with Hiram Jones leaving the farm and enlisting in the Navy, and take him thru his training at the Training Station, and thru subsequent experiences after he goes aboard ship. They are entertaining, instructive and distinctly humorous.

The sketches are being put on by the personnel of the Navy Recruiting Service.

Rathbone to Live In Ogle County

Congressman-at-large Henry R. Rathbone and his family will make their future home in Ogle county, Illinois, it was announced today. The Congressman has purchased a portion of a tract of land, owned by Dr. Alfred W. Hoyt on the Rock river and adjacent to the Blackhawk trail, some three miles north of Oregon, Illinois. The Congressman intends to build a home there as soon as weather conditions permit.

While construction is going on, the Rathbone family will make their home with Dr. Hoyt and his wife, who have been friends of theirs for many years.

GENERAL ASSEMBLY

Mr. L. V. Brown opened the general assembly held last Friday, by presenting Miss Carey Clark of the Foods Department. The question concerning the serving of our hot dish each noon has been under consideration for some time. It has been found that the foods department can now provide a bowl of soup each noon to pupils desiring this. Miss Clark took the names of those interested, telling them that knowing how many wanted soup was essential in order to buy material and know "how much to put in." Eighty-four persons responded to this call and by the first of next week many bowls of soup will be available for hungry boys and girls.

"The Orthophonic is here," said Miss White as she stepped to the front of the auditorium, succeeding Miss Clark. She continued, saying that each one of us should be glad to have it. That perhaps some of us may have wanted the money for other purposes, but should not be disappointed in the choice made. She stated that the new orthophonic can be used in all departments and real pleasure can be derived from its use. She suggested that if any students had records their families no longer use they might add them to our collection.

Couch Grose spoke of the Liberty Bell game of last Friday night and urged the rosters to back up our men with enthusiasm and good sportsmanship.

A pep meeting concluded the assembly with cheer leaders, Jahrling, Prosser and McKaig in charge.

THE SENIORS GO SLEIGH RIDING

A group of sixteen seniors and two of the faculty, Miss Koepnick and Miss White, went for a sleigh ride party immediately after the game with Libertyville last Friday night. While we were riding many songs were sung and much laughter was heard, for we were all in good spirits. If sleighing is made a success by having many snow flurries ours was surely a success. If you doubt me ask Miss White for she seemed to get most of the snow even though she had a "coat of arms" (Robert Prosser's coat). After a happy hour of riding we all went to Mildred Thal's home where delicious refreshments were served. After refreshments a few games were played and everyone entered into the fun. We went home that night feeling that a more enjoyable evening had never been spent. Mildred Thal was chairman of the committee on arrangements and Bernice Gawthrop, Ethel Herli, Mollie Marshall and Kathryn Jarrell were her helpers.

C. A. A. MEETS

Margaret Helwig, president of the Girls' Athletic Association of Arlington Heights high school, called a meeting for Wednesday afternoon at 3:40 o'clock.

Business matters pertaining to organization work were discussed and acted upon.

A constitution was submitted by the executive committee. After explanation of each provision the entire constitution was voted upon and accepted.

Basketball games are scheduled for after school today. At 3:45 the Juniors will play the Sophomores, and immediately following that game the Seniors will play the Freshmen. These two games will provide a great deal of interest while the under classmen fight for supremacy over the older girls.

ENTERTAINED FACULTY

Mr. and Mrs. G. M. Adam and family entertained members of the high school faculty and a few friends last Saturday evening at their home on Euclid avenue.

Tables were arranged for 500 and in this manner the early part of the evening was spent. Prizes awarded for the two highest scores among the women, went to Miss Marion White and Miss Dorothea Koepnick. Ralph Cressey and T. H. Wilson captured the men's prizes.

When the cards were laid aside a two course supper was served. Lighted red tapers having been placed in the center of each table. This light blended with the light from the beautiful Xmas tree to produce a lovely holiday setting.

A guessing contest resulted in Mrs. Adelaide McCrimmon and U. L. Cenger winning the prizes.

The entire company of guests departed feeling that no more pleasant evening could have been spent than in the way planned by such genial hosts.

VOLLEY BALL LEAGUE

The volley ball league schedule is drawing to a close with two teams sharing the lead alternately. Teams A and B with captains Hartman and Hertel, are now leading, but team E, capt. Proctor, has been coming up fast and bumping off the leaders.

Only two more contests are held. On Tuesday F plays D and on Wednesday A plays C game. On Thursday the final games will be played between the two leaders A and B.

Team	P.	W.	L.	Pct.
A	18	14	4	.77
B	15	11	4	.73
C	10	8	2	.80
D	20	10	10	.50
E	16	5	11	.31
F	19	3	16	.15

A Book
There is no frigate like a book,
To take us lands away,
Nor any couriers like a page,
Of prancing poetry.

This traverse may the poorest take,
Without oppress of toll;
How frugal is the chariot,
That bears a human soul!

—Emily Dickinson

BREAD MAKERS

Girls in the Foods Classes may not be the bread winners of their own family groups, but soon will be competent to bid for the title of bread makers. This week we find Miss Clark, the instructor piloting the 34 students of her sections through the first lessons pertaining to the making of breads.

The problem being taken up at this time is that of yeast bread. It presents difficulty because of almost insufficient time to fully carry out the entire process.

Any day now a visitor to one of the foods classes will find tempting Parker House and Clover leaf rolls attracting his gaze as well as actual loaves of bread.

WHAT IS PHYSICS?

Physics is the study which deals with natural phenomena. It was once called natural philosophy, but the shorter term physics is now generally used. It more clearly defines the subject for it teaches of physical properties of matter. If a change occurs in a substance which alters its nature, that change is in the realm of chemistry, for it is a chemical change; if a change does not alter the character of a substance, it is a physical change. For example if water is boiled and changed to steam and vapor, each part is yet water, and upon cooling and condensing it again becomes water, for no alteration of its elements have occurred. Such phenomena are studied in physics.

Modern physics is an inductive science. Like the other sciences it is based upon a belief in the constancy of nature; upon a belief that the same cause, operating under the same conditions, will result in the same effect at anytime. In order to ascertain the relation of physical occurrences, observations are made of what conditions seem to affect the phenomena under the study, and experiments are preformed in which the conditions are under the control of the observer, so that they may be varied separately, in order to determine which conditions are essential and which are accidental. The measurements are made to determine the relation between the essential conditions and the effect resulting. This relation is called a physical law.

Mechanics is essentially a branch of mathematics, based on certain axioms derived from physics, but it is of basic importance in all branches of physical science makes it one of the first topics studied in physics.

Physics touches the experience of every individual in almost numberless ways. Heat, light, sound, electricity, gravitation, evaporation, to mention but a few relations to human life, are within the realm of physics.

Bernice Perrin, '30.

BENSENVILLE

Mr. Frank C. Anderson of Aurora, Ill. was a visitor in Bensenville Friday and Saturday, being interested in securing a lot upon which to build a home soon. Mr. Anderson intends moving to our village this spring.

The little daughter of Mr. and Mrs. Herman Eckler is under the care of Dr. Oakes and reported improving nicely.

If you want to see a nice piece of hand work just gaze at the miniature house Mr. Stage made and has placed in the office window of H. L. Geils Sons. One cannot help but notice it in an evening as it is electric lighted and shows off very prettily.

Yes, we attended the basketball game Saturday evening and sure enjoyed it, but were somewhat surprised to see fully as many people there from Gurnee to root for their team as there was from Bensenville. In our opinion our boys did well even if they lost, and we were only sorry that our town people did not turn out better to see them play. Little Alfred Hintz sure did his share in leading the "yells" and we believe every citizen should learn the yells and join in with the students at every chance. To be sure the dance in town that night took a great many, who no doubt, would have otherwise attended the game. If visiting teams can bring big crowds with them we ought to at least show our boys here that we are with them by attending their games.

Clarence Waldron has returned from Minneapolis where he spent New Years week with his parents. He says a few days rest does us all good.

Mrs. Mattie O'Keefe returned from the city where she had been visiting her sister, Mrs. Malvin. Her sister also came with her for a few days stay as she has other relatives in Bensenville.

Mr. Emil Urban appeared on the street recently in uniform and is appointed as police officer of the village. No longer can outsiders say that there is no danger of being arrested for speeding in Bensenville. Emil is having no difficulty in slowing up traffic at dangerous corners without even having to use harsh means. The majority of people only have to know that the proper officer has his eyes on them to keep them in the straight and narrow path.

Note: We have three accounts of the Wauconda-Gurnee game, and are publishing all. We are always glad to receive such items.

Miss Rosine Kossack, who has been staying in Algonquin two weeks, came to Bensenville to spend the weekend, because she wished to see her many friends. She stayed with her chum, Miss Frieda Pauls, while she was in Bensenville.

Folks please don't forget the beautiful operetta to be given Thursday evening, Jan. 17, in the high school auditorium. The theme of this delightful play is "Once In A Blue Moon," and is something which cannot be seen every day, so seize this opportunity to see it if you possibly can. The cast is well selected and supported by a large chorus, dancers, burglars, travelers, reporters, and practically everything to make it very interesting.

Miss Myrtle Franzen attended the opera "Rigoletto" at the Auditorium theatre Saturday, January 7. She was accompanied by a friend from Chicago. Myrtle enjoyed the production very much and would like to view another such interesting play.

Mrs. Ed. Franzen, Addison street, entertained the Card Club Sunday evening. After the entertainment Mrs. Franzen served a delicious luncheon.

Miss Dorothy Wiggs, of Chicago, spent a few days in Bensenville. She attended the Odd Fellows Dance at the Social Hall and returned home Sunday.

Mr. and Mrs. Laho, their three daughters, Mary, Katherine and Olga, and their son, Rudolph, visited relatives in Chicago, Sunday.

The I. O. O. F. Lodge gave a big masquerade dance in the Social Hall Saturday evening. It was well attended and all the merry-makers had the best possible time. The orchestra rendered some peppy dance music, and even those who couldn't step about very well, got up courage and were lured to the dance floor. The Odd Fellows affairs are always gay and enjoyable and those who did not care to go Saturday night or were otherwise occupied, certainly missed a real good time.

Mrs. Elliot's children have been staying with Mr. and Mrs. J. O. Capoot. Mrs. Elliot's aunt died recently and she found it necessary to leave home a short time, therefore necessitating the children's stay at the Capoot home.

The Northwest High School Con-

ference basketball teams resumed activity after the Christmas-New Year holidays, and all teams had a busy schedule during the week of January 2-7, with most of them having two games immediately preceding each other. January 6 Bensenville traveled to Wauconda to engage the first and second teams of that school. The home team's "seconds" were successful in beating our seconds but the game between the first teams turned out to be a closely contested affair, ending in a victory for Bensenville 20 to 19. The first half ended 13 to 8 in favor of Bensenville. In the last few minutes of play of the fourth quarter Wauconda crept up within two points of the lead and possible victory. However, Bensenville was equal to the occasion and with one minute to play Bensenville kept up its clean, scrappy play and held the lead until the end. This is the second close game these teams have played this season, Bensenville winning an earlier game 25 to 23.

Gilbert Franzen motored to Bensenville three weeks ago from Arkansas. He was anxious to visit relatives and old friends in town. While he remained he enjoyed himself to the fullest extent but he found it necessary to return to Arkansas Jan. 6.

Miss Dorothy Moran and her mother went to Chicago early last

week. Dorothy is expecting company in a week or two; Miss Miller, formerly a teacher in the Bensenville high school, is intending to stay with her over the week-end.

The Gardner family, who used to live in the Gutnick home on Garden avenue, have vacated the place and moved to Chicago. The decision to leave Bensenville was evidently very short and snappy as practically nothing was heard of the matter until about three days after their departure.

The Morse family had guests Saturday and Sunday.

The Missionary Society met with Mrs. R. Pilgrim Thursday, Jan. 12. This meeting was held for the purpose of electing new officers for the new year, and was well attended for the occasion. After the business part of the program had been dispensed with Mrs. Pilgrim served a delicious luncheon. All the members of the society had a grand time.

Mr. and Mrs. Geo. McDermott, had as their guest, Mr. McDermott's sister, who remained three days. She left for home Monday.

We are glad to report that Mrs. Leslie Grants, formerly Miss Alma Kolze, who was ill for quite a time, is improving. She has been staying in Chicago during her convalescence.

Mr. and Mrs. John Thomas have returned home after spending the holidays with their children in Chicago. Mr. and Mrs. Thomas were

There will be a Missionary Rally held at the Evangelical church Friday, Jan. 13. The people of Bensenville and adjoining towns, are cordially invited to attend the affair.

Several of the Bensenville young people plan to attend a party to be given in honor of one of the Wooddale girls.

glad to return to Bensenville, although they enjoyed themselves immensely during their stay in Chicago. Home, as we all know, is the best place after all.

CLASSIFIED ADVS.

Consider This Evidence!

THE PLAIN statement that no investor in Wollenberger First Mortgage Real Estate Gold Bonds has ever lost a dollar of principal or interest during the entire history of Wollenberger & Co. is powerful evidence of the safety of our bonds. But it is not all the evidence we can give.

Consider this, for example: Wollenberger bond buyers are not numbered in hundreds but in thousands. They do not live in Chicago and Illinois alone, but may be found in every single state of the Union and in many foreign countries.

They do not buy but once; they continue to buy year after year. They do not stop with one generation, but in many cases father, son, and grandson have bought Wollenberger Bonds. If we count savings-investment accounts opened for the baby, there are in some cases four generations of Wollenberger bond buyers.

This is evidence—and powerful evidence, too—not only of the safety of Wollenberger Bonds, but also of the service which Wollenberger & Co. gives to its clients.

Profit by Past Errors

The past is gone, and gone forever. You may learn by your mistakes, but you cannot learn by the mistakes of others. Turn your face toward the future. Give your mistakes and blunders a decent burial in the past, and let the memory of them furnish you with implements of industry by which you may operate the gold mine of future possibilities.—Exchange.

MORTON GROVE

Jerusalem Lutheran congregation held their annual business meeting Jan. 8. The following officers were elected: Treasurer, J. A. Raabe; secretary, R. H. Huse; elders, E. Freier, John Ahrens, Emil Weiss, E. Tatzke, D. Lange, Henry Voss, E. Boening; financial secretary, Charles Brunke; treasurer, Wm. Geweke; financial committee, A. Schubert, D. Biesmann, C. Hildebrandt; auditing committee, Wm. Hirsch, O. Busse, E. Ahrens; school board, Charles Gerber, C. Hildebrandt, H. Eckhardt; synodical delegate, Wm. Geweke, D. Lange.

Community Players last of February.

Mr. James Wayman and family visited his sister, Mrs. Karl Kuhlman and family at Crystal Lake Sunday.

Mr. Peter Blumel and family of Chicago called on relatives and friends here Sunday.

Mr. C. E. McWharther made a business trip to Philadelphia this week.

Marvin Harris returned recently from an auto trip down Cairo way, through the southern part of the state.

Mrs. H. C. Cleveland has spent the past week with her sons family at Bloomington, Indiana.

Fred Sieburg has been at home for several days on account of a badly disabled foot.

Mrs. Roy Dobbins, secretary of the Methodist Ladies' Aid, entertained a committee group at luncheon Wednesday in her home.

Mr. and Mrs. Kunz were among the city visitors Tuesday this week.

Miss Minnie Pieplow was operated on for appendicitis Monday at the Elmhurst hospital.

Mrs. Brown and Mrs. Krummick, instructors in the public schools, spent Wednesday visiting Haven Intermediate school at Evanston, which is conducted upon a plan similar to that of Arlington Heights Intermediate school.

Coach Gustafson is back at his school duties this week after a week's absence on account of the grip.

Alvina Schaffer is substituting as teacher in St. James Parochial school this week.

Mr. Henry McElhose of New York is spending a few days with friends in Chicago.

Mrs. Max Stockel of Des Plaines spent Wednesday with her sister, Mrs. Martin Strand.

The Mother's Club met Thursday with Mrs. Arthur Weinrich. When the newly elected officers, assumed the duties of their positions.

Mrs. Howard Helm as president, and Mrs. Arthur Weinrich, secretary-treasurer. This club is an organization of the younger matrons started about thirteen years ago.

The meetings are held in the homes monthly when the members gather to discuss mothers duties and problems, and the interests of the home.

Mrs. Mike Casey and son, came out from Chicago to take charge of his body, and take it to the city for burial.

Mrs. Arthur McElhose entertained a family group at her home Sunday in honor of the birthday of her daughter, Virginia.

Home made pies and doughnuts baked on order call at 311 North Duntun avenue, or phone 408-R, at so room and board by the week.

Mrs. Geo. Hughes, Arlington Heights.

Speaking and Writing

The spoken vocabulary is more limited than the written and the written more limited than the vocabulary which one is able to read.

All Right, If—

International athletic contests are advocated as an aid to world peace. This would be reasonable if somebody would invent a contest which both sides could win.

**Eastern Star Chapter
Installs 1928 Officers**

Jan. 7th marked the beginning of a new fiscal year for our chapter. The installation of the new officers took place at the Arlington Heights high school.

The retiring W. M. Sister Lily Jahn greeted the assemblage, and gave a hearty welcome to all present. The escorts were past patrons of Palatine chapter, George K. Volz, Herman Meyer and Stewart Paddock, and they presented Past Matron Sallie Volz, grand lecturer as installing officer, Cecilia Hausam as marshal, and Marie C. Muller as chaplain.

Sister Volz gave the ode to the flag, with John A. Senne as color bearer. Bertha Hock of Park Ridge chapter was organist and Ruth Anderson also of Park Ridge chapter was soloist. The officers installed were:

Mabelle C. Jasper, W. M.
George Wilson, W. P.
Isabelle Stroker, A. M.
Helen Swick, Sec.
Lily Schierding, Treas.
Mary K. Meyer, Cond.
Lulu Herrman, A. Cond.
Hael DeBerg, chaplain.
Ella Hauer, marshal.
Delia Krueger, organist.
Edna Senne Adah.
Helen Koplin, Ruth.
Ruth Klehm, Esther.
Edith Helfers, Martha.
Sophie Wilson, Electa.
Alice Lewis, Warder.
Sallie Volz, Instructress.

Myra Foskett and Mildred Sandborn, soloist and Georgiana Pankonin as correspondent.

The hall had been appropriately decorated and the many beautiful floral baskets and bouquets added greatly to the event.

The W. M. was presented with lovely flowers which were carried to the east by her two little daughters, Dorothy and Ineline. She was also presented with an ivory gavel from her officers and the installing officers.

After the installation the W. M., Mabelle Jasper introduced Sallie Volz, our instructress, Myra Foskett and Mildred Sandborn as soloist and Georgiana Pankonin, as correspondent.

The following program had been arranged:

A reading by Ruth Bjorklund.
Dance by Jessie Ehret and Lois Lee.

Vocal solo by Ruth Anderson.
Saxophone and banjo duet by Dorothy and Evelyn Oltendorf.

W. M. Mabelle Jasper, W. P. George Wilson and the installing officers each gave a short talk. Sallie Volz presented the retiring W. M., Lily Jahn, with her past matron's jewel and welcomed her to the ranks of those who had served well. Sister Jahn thanked the chapter and her officers for the support and pleasant year she had enjoyed and wished for her successor and her officers a happy and prosperous year. The retiring patron was presented with his memento of the past year by his good friend, George Volz.

The Arlington Heights high school orchestra furnished the music during the time the audience was assembling.

Palatine Chapter meets 2nd and 4th Friday evening of each month, and visitors from other chapters are cordially invited to all meetings.

**RIVER GROVE POLICE
RECOVER STOLEN CAR**

On January 10, at 2 a. m. Police officers Doherty and Roalle arrested two girls and two boys on Belmont avenue west of the river in a stolen Buick coach. They were turned over to the Chicago detective bureau. The girls were sentenced to the juvenile home and the boys held at detective bureau on charges of attacking the girls and stealing two automobiles; one of which was recovered by the River Grove police. The ones arrested are: Girls, Evelyn Majewski, 17 years old, 1438 Noble street; Marion Galinski, 16 years old, 1801 Hervey street. Boys: Edward Janakus, 17 years old, 1636 Keenan street; Raymond Novach, 19 years old, 2234 N. Lockwood avenue, Chicago.

For Shabby Leather

Shabby leather can be renovated by smearing white of egg that has been beaten into a froth over the surface with a piece of soft linen. Let dry and then rub well with another soft cloth.

OBSERVER'S NOTES

Today the word flies 'round about. Another life has just gone out. Our town is such a little place. Yet who of us knew that man's face? Or anything about the place. Where life went out?

Its little enough we know about those who walk by our side, less we know of our near by friends and neighbors, and nothing at all do we know of at least one-half of the people in our town. It is impossible to be neighborly over such vast spaces as Arlington Heights is spreading over.

Seems as if our Chicago newspapers have queer ideas of population. Last week during the cold weather within the columns of one sheet you read "Terrible Cold in Other Lands, Forty Die in Europe." And in the same paper, we read that twelve died from the effects of cold in Chicago.

A scientist of note tells us that human intelligence is 450,000 years old. No wonder it seems to be getting childish. One might, on reading the books and magazines of today, feel that "age does not always bring wisdom, nor length of days understanding," even to human intelligence 450,000 years old, and yet we must admit some of the younger generation of our day seem to fulfill that prophecy of the time when "A child of ten should (in wisdom) be a hundred." Over in England they said our "Lone Eagle" at 25 in all he said showed the wisdom of A. Lincoln or a Gladstone.

By the way, did you read Lindbergh's reply to some inquisitive person who asked him why he didn't get married, and he answered "What has that to do with flying." Could a Lincoln, a Gladstone, or even a Carl Sandburg (save the mark), get more wisdom, more dignity, or shall I say personal reserve than the "Lone Eagle" put into that brief reply to a question no one had a right to put to ask?

Come on boys, or pardon my levity, I mean, city fathers, honorable gentlemen, let's bond the village for one hundred thousand, more or less for a public park. I mean it. Then let the rising generation call us old fogies and make sport of us at they will. We'll put the payment of those bonds far enough into the future, so they will have to pay them. In the mean time, we old fogies will take up all the choicest seats in our public park.

Speaking of license "Orphan Annie" protest against having to pay a license for the right to make a living, has a very forceful significance in many lines of business right here in our own town. If you share your meals with some one who is glad to pay you a fair equivalent you must pay a license. If you squander and throw away more than your boarder consumes nothing is said about it. Heard an ex-soldier, who is not able to do all kinds of work, say he has to pay as heavy a license for his right to drive a truck, as some others pay for three. O, brothers, let's play fair.

When that first morning train sends its warning shriek through the town do you ever turn over, stretch and settle down for another nap, pitying those whose work is in the city? And again, when the midnight train comes thundering in from the city, are you thankful that it is bringing many weary ones to their homes to rest.

Comes the early morning train, waking you from dreams again, up, and out, no matter how weary, or you will miss that train, my deary, and yet, at midnight, that train will your hopes of home coming true fulfill. Arlington Heights will feel the stir, and give warm welcome unto her. Though that old train seems slow and old, this truth of it is always told. No matter what

else may be said, it brings the weary home to bed.

Some of us who remember the number, who met death on the crossing here, and in unguarded places on the railroad in past years, do not feel like complaining about the long piercing shrieks of the engines, as the trains come in to the town. The increasing number of autos and the carelessness of pedestrians make these prolonged shrieks of warning necessary to save life.

That reminds me you may not remember Observers urge for the new south side school, as a much needed safeguard for the children who had to cross the railroad in order to reach the north side public school. Just recently, I hear some of our north side mothers are hailing with joy the coming of business places on their side of the "track." A mother who "carries on" in the home must, of necessity, send the children, sometimes on errands, and yet the fear of the railroad and now the six fold greater danger of the highway, makes north side business houses a necessity and safeguard not only for children, but for all of us.

O, but we do grow! Ask our realtors about their preparations for the spring campaign. Comes word from Mrs. Cruickshank, way out in Oregon, the land of roses and sun, telling of snow and 16 degrees above zero. Comes word from friends in eastern Kansas, telling of 16 degrees below zero. Here is Marvin Harris, recently returned from a trip to Cairo, in which he encountered snow banks and extreme cold. In the mean time Arlington Heights backs in the sunshine and lays plans to annex. The world, come to Arlington Heights, and help pay our taxes.

Asking one of our capable young men, long in village office, what he considered the most important question before the citizens of Arlington Heights, he answered "The sewer and drainage needs." Well we trust "the moving of the waters" may work out some intelligent and adequate plan for these great needs for a greater Arlington Heights. Yea, even for present needs. We do not want to be like Pharoah, who cleansed and ornamented the outside, while within was all—O, just go to your Bible and read about the inside.

It was a beautiful feature of the memorial to the mother of Father Gall, to have that special service by St. James congregation, in honor of her. A dear, aged mother who was so much a part of their church in her son's home, and who endeared herself to all who knew her outside the church circle. Honor to a good mother is a beautiful thing, a privilege, as well as a duty. The congregation came out in great numbers and showed their sincere tokens of respect for the mother and sympathy for her bereaved son, Father Gall.

Last week I mentioned about the awakening of even our younger women, to take an interest and to inform themselves on our civic affairs, and to fit themselves for the duty and privilege of citizenship. So many foolish things are said as to women's ability, to hold responsible positions, and none can be more responsible than to be a homemaker. Some one asks are women better qualified to pick candidates than men? Judging from the kind of husbands some of them pick, just draw your own conclusions.

Did you see that glorious sunset Tuesday? I have seen wonderful sunsets, yet never did I witness anything so amazingly beautiful, so awesomely magnificent, as that sunset Tuesday evening. To describe it needs a pen dipped in celestial fire. 9 John, or Palmes alone could do it justice. Yet the pity is, we are so busy seeking the

tarnished make believe splendor of earthly shows we miss the glory of the firmament.

The sun shines bright on Arlington. And soft the south winds blow. The little pools beside the walk. Reflect the heaps of snow.

The mornings sky is all aglow. With April's colorings; And yet the weather wise well knows, This is not truly spring.

A fort, lads built across the street. Is melting in the sun; No leaguered foe could there retreat, Or find place for a gun.

Spring catalogues intriguing spread. Their seeds of promise rare; It almost turns the saddest head. To spend a fortune there.

The gentle winds blow in and out. The withered leaves among; Only the sparrows fly about. No sweet bird martins sing.

The skies are blue as skies of June. The clouds as fleecy white; The silver radiance of the moon. Enfold a wonder night.

And some are born and others die. Thus winter days roll on; The full moon waves, clouds shade the sky. The month, the seasons gone.

Still shines the sun on Arlington. And soft the south winds blow; The silver radiance of the moon. Reflect the heaps of snow.

Elmore Crisler Haynes

**Every Boy With a
Clean Suit Next Week**

Boys will be men some day and their appearance as men will depend in a lot of respects upon the teachings of cleanliness that they imbibed as youths. All parents know the efforts that are put forth to get the neck and ears of Young America spic and span, but are the parents giving as much attention to the cleanliness of the boys' suits?

As an advertising effort the cleaners and tailors throughout the country have designated a National dry clean week and have offered to dry clean absolutely free one suit for every boy under 12 years of age. That week starts next Monday and the offer is being made in Palatine through Freiberg Bros. They are offering the pressing without charge and the cleaners are doing the dry cleaning without cost. To help along the good cause, this paper is making the announcement. The offer is for every boy under 12 years, one suit to a boy.

The same offer will be made the following week to the girls.

Drinking Flowers

Geraniums thrive if you feed them cold tea once in a while and hydrangeas seem to like weak coffee. Pour onto the roots only.

**Busy Year Awaits
Masonic Bodies**

The new officers of the various local Masonic bodies find considerable work ahead of them. Palatine Lodge 314, A. F. & A. M., have a number of candidates awaiting initiation. Palatine Chapter No. 206 confers the Royal Arch degree upon five candidates at their meeting this Thursday evening. The school of instruction of the Northwest District was held at Palatine Tuesday evening. Palatine Chapter No. 585 holds its first meeting of the new year Friday night. The

**Injured on Slide
At Deer Grove**

Charles Brown of Park Ridge, was badly hurt Sunday when he used a sled in tobogganing on the ski slide at Deer Grove. When the sled arrived at the "jump" it stuck in the snow and a runner entered the side of Brown. This accident should serve as a warning to other boys.

MT. PROSPECT DEPARTMENT

Mr. and Mrs. Wm. Kirchhoff have left for a vacation in Florida.

Mrs. Mead left Saturday morning on a trip to Detroit, Michigan, where she will visit relatives.

A Ladies' Bowling team is being organized and the first try out of their skill took place on Tuesday evening.

On Sunday afternoon, Jan. 8, the annual meeting of the Ladies' Aid of St. Paul's Lutheran church was held. All officers were re-elected for the present year they being: Mrs. Louise Rohlfing, president; Mrs. Ernest Gosch, vice president; Mrs. Martha Froelich, secretary and Mrs. William Busse, treasurer.

Two new places of business will have their formal opening in our village this week or the early part of next week.

The first of these to open is the grocery and vegetable market of George Neitzke who is known to the greater part of the citizens of our village and has been a resident here for a number of years. While being interviewed Mr. Neitzke informed the press representative that it was his intention to serve the populace of the village with high grade groceries and fresh vegetables in a first class businesslike manner. The place will be known as the Highway Grocery and Vegetable market.

The grand opening is to take place on Saturday, January 14th. If present plans are carried out.

Mr. Miller formerly of Chicago is the other man who is entering the business field in our village. He will establish a first class bakery in the new William Busse Jr. building just two doors south of Meeske's and it is the hope of Mr. Miller to be ready to do business either the latter part of this week or the early part of next week. We have been informed that the new baker is a man of considerable ability having learned his profession in Denmark. Every item required of a high class bakery shop will be found in this latest addition to the business field in our village. Special bakery goods for various occasions will be taken

care of in the regular special order way.

It goes without saying that every citizen of the village wishes both of these new merchants success.

Another item of interest in the fact that we will have a new resident in our village before the week is out. Mr. M. L. Gotsch and family formerly of River Forest will move into their new home on Main street on Saturday. We welcome them to our midst and hope they will enjoy their surroundings and feel they are a part of the "City of Progress."

Fred Meeske feels quite proud of the fact that through his methods of merchandising and of giving his patrons the best it was possible to do that he was in part responsible for the defeat of the chain store in our village. Mr. Meeske states that he will continue to give his patrons just such service and values as he has given in the future and may be in the position to give better values in the future. He desires at this time to thank all his patrons for their loyal support and to assure one and all he appreciates this support very much and is in the hope that he will continue to merit it.

The present business men of our village are all please with conditions and are looking forward to this year as one that will be better than the past year and from present indications they have the absolute right to feel that way.

The Community Building question will in all probability be presented to the village board for action in their next regular meeting in February as the resolution is about ready to be drawn. This is a matter that we are all interested in and we should all feel that this is a good thing and a benefit to our village.

Our village collector is a busy man these days with all the payments coming in on the special assessments. The office force now employed consists of three people and they all have plenty to do. They receive the monies with a smile and a pleasant thank you, and send the taxpayer home in a pleasant mood instead of with a sad face for having paid out their hard earned money.

In a recent interview the collector stated he was surprised at the number of people who are paying their bills in full. This indeed shows that the new property owners in our village have faith in their property and we are pleased with that.

The banquet to be given by the Improvement Association will be open to other than residents of our village and it will be one that will long be remembered by all attending as William Busse will give an address on the past history of our village and another well known speaker will paint a picture of the future Mt. Prospect as he sees it. Tickets for the banquet can be had from any of the board of directors of the improvement association. This will end our weekly review and we hope to be able to give you more real news every week this year than was possible in the past.

Railroad Official Paints Rosy Future For Mt. Prospect

The regular monthly meeting of the improvement association took place last Monday evening at the village hall, with the newly elected officers in their places; all the outgoing officers were given a vote of thanks for their past work in the association. The minutes of the December meeting were read and approved. It was also decided at this meeting to hold an annual banquet, the first one to take place on Friday January 27, 1928, at the Rand Tower and is to begin at 7:30 p. m. sharp. The committee on the arrangements of this affair are John Gots, Henry Beigel and Albert Haake. Among the new members accepted at the meeting were B. E. Tremping and E. Gosch, who was a member a number of years back. Vice President Pankonin took the place of the president as the president had another appointment. Mr. Tremping was called on for a few remarks and in the talk he made he showed his idea of the wonderful future Mt. Prospect had before it and the way for the citizens to keep up this aspect with the required enthusiasm. Mr. Tremping also stated that he was of the impression that our village had the best chance of any along the Wisconsin Division. He also impressed upon every one present the fact that he was pleased with his being a resident, taxpayer and voter of our village and that although he was an official of the Chicago and Northwestern Railway he was just a loyal, peace loving citizen of the village. Our mayor, William Busse a charter member of the organization welcomed Mr. Tremping to our ranks. It was also decided at this meeting that the board of directors consist of a committee to take a complete census of our village the result to be given at the banquet.

COMING DANCES

DANCE
Given by the Long Grove Social Club at Union Hall, Long Grove, Illinois, Saturday, Jan. 21. Good music. Gents, 90 cents; Ladies, 10 cents.

GRAND DANCE
Don't fail to attend this dance, bring your friends along. Positively the best way to spend Saturday evening at The Dalebrook, Roundry and Rand roads, Saturday, January 21. Music by the Black Cat Orchestra of Mount Prospect. Gents 75c; Ladies 25 cents.

Always an Exception
"Blessed are the peacemakers," quoted the good deacon. "Yes, they are applauded by everybody except the fellow who is getting the best of the fight," suggested the unregenerate backslider.

Inlaid Steel Blades
India was in possession of a steel secret once, which is lost now. This was the inlaying with gold of steel blades in such a manner that the strength of the blade was not impaired nor its temper spoiled.

Announcing the New Essex Super-Six Now on Display in Our Showroom

A newer and finer motor car that reflects the vogue of tomorrow, with inbuilt new beauty, roomy size and brilliant Super-Six performance. The utmost in motor car value.

Mount Prospect, Ill.

EAST MAINE

Mrs. Hans Ellerbrock, whose birthday anniversary occurred January 9, entertained a crowd of friends and relatives in honor of the occasion Sunday, Jan. 8.

Miss Florence Toepel, who, having spent the greater part of her Christmas vacation ill with an attack of pleurisy, returned to her school room Jan. 2, only to be brought back home with a relapse. At present she is getting along pretty well and has decided to take a month's rest during which time it is hoped she will fully recuperate.

Although the beautiful sunshine which everyone enjoyed this past week made one forget the snow drifts and snow bound highways of the week previous, just a word of credit must be given the Lutter Brick Co. for their part in helping to open the country roads. On Jan. 5, August Jensen manipulated one of the Lutter trucks with plow attached, along Golf avenue and swept it clear of snow. This act was highly appreciated not only by the residents along this street, but by all those who find it necessary to travel Golfavenue as well.

It has been reported that Mrs. Adolph Moeller, Sr., has been seriously ill with a cold, but fortunately she is now practically recovered. Mrs. Ernest Jaacks is the latest victim of the gripe and there likewise we hope for a speedy recovery.

The annual meeting of St. Matthews Bowling Club was held Thursday evening, Jan. 5, with the reelection of the old officers resulting as follows: President, Ferdinand J. Wilke; vice president, George Stett; treasurer, George Engel; secretary, Adolph Moeller; assistant secretary, Lester Soon; financial secretary, Emil Bergman. The following members were elected to serve on the Executive Committee together with the officers: Rev. J. Toepel, Fred Finnern and John W. Kath.

The many friends of Mrs. August Geweke will be pleased to learn that although she is still ill with pleurisy, her condition is improving and recovery seems near. Another encouraging report is made of Mrs. Oren Jaacks who, for the past two weeks, has been dangerously ill with inflamed kidneys. Mrs. Jaacks, at present, is convalescing and it is hoped that she may be up and around soon again.

At the last business meeting of St. Matthews Lutheran choir held Jan. 3, a motion was passed that the choir give another of their annual entertainments this winter. The dates set for the occasion were February 17, 18 and 19. The committee are at work now formulating plans and making arrangements for parts and so forth and further announcements will be made at a later date. The readers are asked not to confuse this entertainment with the play to be given after Easter by the Truck Gardeners association and concerning which an announcement appeared in this column a short time ago.

The plans and arrangements of the program for the annual meeting of the Cook county truck gardeners and Farmers Association have now been completed and just an idea of what is going to take place will be given the members and others who are interested, here. The meeting will be held Saturday afternoon, January 14 at 2 p. m. in the Masonic Hall, Jefferson Park, Ill. The many different new and interesting matters which confronted the association during 1927 will be explained in the annual report of President Geweke, while the financial standing and progress of the association will be detailed in the annual reports of Secretary Stett and Treasurer Jaacks. Then, too, several live and interesting speakers have been invited to attend and will talk on various subjects vital to the farmers and gardeners of Cook county.

The success last year of the idea of hiring special entertainers to put some pep and variety into the afternoons' program, was met with such enthusiasm and enjoyed so heartily by the members that this year, as a special treat the "Triangle Trio," famous to WHI radio fans, have been engaged to do their bit in furnishing the members with amusement and diversion. An interesting meeting is being looked forward to and the members are urged to invite their

friends and neighbors to attend with them.

The East Maine Pleasure Club are announcing their first social event of the new year, a midwinter dance and frolic to be held on Saturday evening, Jan. 21, in Alf's Hall, Niles Center. Everyone is welcome of course, and with Frank Klein and his peppy orchestra, in charge of the musical end of the affair. Everyone is assured of a good time.

NORTHFIELD

Miss Elsie Moore of Chicago was the guest of Mrs. Harry Johnson, Monday, Jan. 2.

Rev. A. F. Johnson and family of Deerfield visited his brother, Harry and family Friday evening before conducting the church services Saturday night in the absence of the presiding elder, Rev. Byas, who was unable to get here.

Rev. Byas conducted the Sunday morning services and administered communion. A large crowd was present.

Mr. and Mrs. John Croft and son visited her sister, Mrs. Ira Green and family in Milwaukee Sunday. Anil Merry of Effingham Co. Ill., visited relatives and friends here the past week.

The W. M. S. met this week at the home of our president, Mrs. Ira Hubert.

Mrs. Slipper died at her home in Northfield Monday at 7:30 p. m. after a brief illness.

She had previously suffered two paralytic strokes, which left her an invalid 4 years only being able to sit in a chair. Her last illness was of three days, being sick with a cold. A cerebral stroke was the real cause of her death.

She came to Northfield about 5 years ago from N. Y. City, with her husband. They purchased their home in the country, to be near their son, who is in business in Chicago. Funeral services were conducted by Rev. M. G. Geil, Wednesday at the church. The body was taken to Northbrook and shipped to her old home in N. Y. to be buried beside three children who preceded her.

She leaves her aged and grief stricken husband, one son of Chicago, and one son in England, besides other relatives and a host of warm friends in this community. Our heartfelt sympathy goes out to the aged husband, who was so devoted to his invalid wife.

Miss Jessie Lutz of Chicago was the guest of Mrs. Ed. Bach recently.

Mr. Snitzer, who is wintering in Alabama, is here on a brief business trip.

We have a new neighbor moving into the parsonage this week. A Mr. and Mrs. Olson.

Mr. and Mrs. J. W. Dobbins and daughter, visited friends in Deerfield Saturday night and Sunday.

Mrs. A. L. Bartholomew's brother and sister, the Timkes of Elmhurst, were her Sunday guests. Miss Helen returned home with them Sunday evening to her school work.

Little Alden Lindergreen has a severe attack of tonsillitis this week.

WHEELING DEPARTMENT

Mr. Oscar Jermo of Wisconsin, has been visiting his sister, Mrs. Clifford Olson.

Miss Hazel and Mr. Frank Utpadel, spent several days of last week with an aunt in Evergreen Park.

Mr. E. A. Modrow has been painting and papering the Masonic rooms during the past week.

Mrs. Alice Utpadel accompanied by her son, Joseph Behm, left last Thursday for California, where they will spend several weeks.

Miss Florence Kehoe was called to her home in Wisconsin, by the death of her mother last week.

We are glad to note that Miss O'Suess has recovered sufficiently from her recent operation, to be back at the Port home.

Mr. Guy Wilson has received a 3 months furlough from his duties as Village Police Chief. Mr. and Mrs. Wilson will spend this time in Arizona.

Mr. and Mrs. Cloice Wieder are happy over the arrival of an infant son, born at the Highland Park hospital on Thursday, January 5.

A stag party of Wheelingites, enjoyed Tuesday evening in Chicago. They attended the boxing show in the north hall of the Coliseum of which the match between Bud Taylor and Babe Ruth was a feature.

After the show the party stopped for dinner at the Morrison Hotel.

The following were members of the party: Messrs. Otto, Chas. and Frank Utpadel, E. J. Welflin, A. C. Fallscher, Albert Glantz, Ernest ruse and Walter Pieper.

Rev. and Mrs. H. J. Wiegand called on friends here this week.

Miss A. Morgan of Vermillion, So. Dakota, visited her cousins, the Bingham, here last week.

Wheeling Chapter O. E. S. are planning a card and bunco party to be held at the Riverside on Jan. 31.

A bunco party will be given by the Ladies' Aid of St. John's Lutheran church of West Northfield, on Wednesday, January 25, 1928 at 8 p. m. Admission 50c, including lunch. W. G. Fechner, pastor.

(1-20)

Autobiographical Fibs
Literature by man on the subject of women is the most interesting and unreliable in the world. It is unreliable because it is autobiographical and all autobiography is fiction.—American Magazine.

Might Be Modern
Just because a skull found in Arizona is a half-inch thick, scientists believe it is thousands of years of age. Not necessarily.—Atlanta Constitution.

Historic Periods
The Jacobean period, in Great Britain, extended from 1603 to 1688. It may be extended into three bases: From 1603, when James I. ascended the throne; to 1649, when his son Charles I. was beheaded by Cromwell; 1649 to 1688, known as the "Restoration," or "Carolean period."

Wheeling A. F. & A. M. Install New Officers

A special meeting of Vitruvius Lodge No. 81 A. F. & A. M. was held on Jan. 7, 1928, for the installation of officers elected and appointed for the year of 1928. George Kehle, past master of Morton Grove lodge, installing master. Louis Volk past master of Glenview Lodge, secretary and Frank Kottrach, past master of Deerfield lodge, marshal. After which the officers elected and appointed were installed and took their respected stations:

Bro. E. E. Gieseke, master.
Carl Hofmeier, senior warden.
Robert Utpadel, junior warden.
Jacob Hausman, treasurer.
Oliver S. Wolf, secretary.
Emil Geest, chaplain.
Walter Pieper, senior deacon.
Frank Utpadel, junior deacon.
Howard Bingham, senior steward.
Cloice Wieder, junior steward.
L. Jordan, organist.
John Ehlers, marshal.
Albert Utpadel, tiler.

After the installation the brethren went to H. G. Winkhofer's restaurant where they were served with refreshments.

Preserving Newspapers

The paper upon which modern newspapers are printed becomes brittle when exposed to air for a long time. Some libraries have solved the problem of preserving newspaper files by mounting each sheet between two sheets of thin Japanese tissue. This seals the paper from the air, reducing its legibility but slightly and strengthening the page.

Fowls in Biblical Times

Partridges are noted in the Old Testament. The fatted calf (1 Kings, 4:23) is interpreted as a goose or duck. Cocks and hens brought from Persia two or three centuries before Christ. A tomb at Marissa of about 200 B. C. has a good representation of a crowing cock. Sparrows and other "twittering birds" were also used for food.

Open Sesame

If we observe, soon we are able to perceive; if we perceive, soon we are able to understand; and if we understand, soon we are able to sympathize; and if we truly sympathize, all the doors of nature and human nature stand open to us.—Woman's Home Companion.

Both Money and Honor

The only medal awarded by the United States which carries with it a monetary compensation is the Medal of Honor.

START TODAY

No one ever started a savings account "tomorrow." If you ever start to save it will be "today." You may commence immediately, next year or, perhaps, never. No body can force you or stop you but yourself. This is not printed as a stern sermon, but as the sort of "sharp-stop" reminder we humans often need—and welcome.

NOTICE FOR BIDS ON SCHOOL BONDS

NOTICE is hereby given that the Board of Education of Arlington Heights Township High School District No. 214, in the County of Cook and State of Illinois, will receive bids on \$125,000.00 in bonds to be issued by said District, for the purpose of raising money to build an addition to the High School in said District. Said bonds will be dated January 18th, 1928 and will mature as follows: \$5,000.00 on the 1st day of June, of the years 1933 to 1937 both inclusive, and \$10,000.00 on the 1st day of June of the years 1938 to 1947 both inclusive, with interest at 5% per annum. First payment of interest due December 1st, 1928 and remaining interest payments semi-annually thereafter. Bidders may also offer bids on a lower rate of interest if they so desire.

The Board reserves a right to reject any and all bids and advertise for new bids if it deems it to be the best interest of the District. Bids will be received until Wednesday evening, January 18th, 1928, at 8 o'clock P. M. at which time they will be publicly opened at a meeting of said Board, to be held at that time, in the High School in said District, at Arlington Heights, Illinois.

Dated, Arlington Heights, Illinois, this 7th day of January, A. D. 1928.

BOARD OF EDUCATION ARRLINGTON HEIGHTS TOWNSHIP HIGH SCHOOL DISTRICT NO. 214.

By GEORGE K. VOLZ, Secretary

Oriental Term for Fate

Kismet is an oriental word meaning fate or destiny. It is the Turkish form of the Arabic "qismet." Mohammedans use "kismet" to express the idea that everything which occurs in the world is preordained and inevitable. In other words, "kismet" expresses a philosophy of preordination and fatalism.

NOTICE OF SPECIAL ELECTION

IN ARLINGTON HEIGHTS TOWNSHIP HIGH SCHOOL DISTRICT NO. 214, IN THE COUNTY OF COOK AND STATE OF ILLINOIS.

NOTICE is hereby given that on TUESDAY, the 17th day of January, A. D. 1928, a SPECIAL ELECTION will be held in Arlington Heights Township High School District No. 214, in the County of Cook and State of Illinois, at the following polling places, to-wit: The Village Board Room in the Village Hall in the Village of Arlington Heights, and in the Village Board Room in the Village Hall in the Village of Mount Prospect, Illinois, for the purpose of voting "FOR" or "AGAINST" the following propositions:

"FOR" or "AGAINST" the proposition to authorize the Board of Education of Arlington Heights Township High School District No. 214, in the County of Cook and State of Illinois, to borrow money and issue bonds of said District, for the amount of One Hundred Twenty-five Thousand Dollars (\$125,000.00); said bonds to be dated January 18th, 1928, and to mature as follows: \$5,000.00 on the 1st day of June of the years 1933 to 1937 both inclusive, and \$10,000.00 on the 1st day of June of the years 1938 to 1947 both inclusive, which bonds are to bear interest at the rate of 5% per annum, first interest payment to be due December 1st, 1928, and remaining payments semi-annually thereafter, and which money when so raised shall be used for the purpose of building or erecting an addition or extension to the present High School Building in said District.

The polls at said election will be opened at 12 o'clock noon on said day and closed at 8 o'clock P. M. on said day.

By order of the Board of Education of Arlington Heights Township High School District No. 214, in the County of Cook and State of Illinois.

Dated, this 6th day of January, A. D. 1928.

N. M. BANTA, President of Board of Education, Arlington Heights Township High School District No. 214.

GEO. K. VOLZ, Secretary of Board of Education, Arlington Heights Township High School District No. 214.

due hearing, the Special Report of the undersigned Commissioners of Weller Creek Drainage District was confirmed by the County Court of Cook County, Illinois, and that pursuant to Section 17a of Chapter 42 of the Revised Statutes of Illinois, commonly known as the Levee Act, the Commissioners have prepared the Assessment of Benefits and Damages, which roll is now on file with the Clerk of the County Court, and that a hearing will be had on the same before an Eminent Domain Jury to be impaneled for such purpose in the said County Court before His Honor Judge Edmund K. Jarecki in the Room usually occupied by him as a Court Room on the 23rd day of January, A. D. 1928, at 10 o'clock A. M. or as near thereafter as this cause can be heard, at which time and place you may appear and offer any competent evidence as to the amount of benefits or damages which should be assessed.

You are notified that Sub District No. 11 is exclusively owned by the Chicago Trust Co., in trust for Axel Lonnquist, and the same is described as follows:

Lots 1 to 19 inclusive, all in Block 24; Lots 1 to 18 inclusive all in Block 25 and Lots 6, 7, 8, 9, 10, 11 and 12 in Block 26, Prospect Park Country Club Subdivision, being a Subdivision in Section 11 and part of the Northeast quarter of Section 14, all in Township 41 North, Range 11 East of the Third Principal Meridian, Cook County, Illinois.

WILLIAM KIRCHHOFF, JOHN P. MOEHLING, WILLIAM KRUSE, Commissioners of Weller Creek Drainage District.

O. S. HANSEN, Attorney.

EDGAR A. ROSSITER, Engineer.

NOTICE OF HEARING ON PETITION FOR ANNEXATION

NOTICE IS HEREBY GIVEN that a hearing on the Petition filed December 29, A. D. 1927, for annexation to the Village of Morton Grove, of the following described territory, to-wit:

All of that part of Section Eighteen (18) Township Forty-one (41) North, Range Thirteen (13), East of the Third Principal Meridian, lying West of the West Village line of the Village of Morton Grove, and North of the North Village line of the Village of Niles, Cook County, Illinois; shall be held at Ten o'clock A. M. Jan. 20th, 1928, in Room 603, County Building, Chicago, Cook County, Illinois.

M. J. LOCHNER, Village Clerk

"Mechanical Ears"

So delicate are the "mechanical ears" perfected by scientists to detect sound waves in the air that a gun fired on the east coast of England was "heard" at Birmingham University, more than 135 miles away, says Popular Science Monthly. The sound was not heard by human ears, but was detected by the recording instruments.

Quality Shown in Outward Beauty—Whippet established the modern tendency in light car design by introducing the vogue for smart, compact bodies with low, fleet lines. Now pleasing new colors and new body refinements further add to the appearance and quality of this perfected car.

Big 4-wheel Brakes—more braking surface per pound of car weight than any other light car. You can stop from 40 miles an hour within 51 feet.

Rear Gasoline Tank—for utmost safety—with vacuum fuel feed. This costs more to build, but is much safer, as Whippet's low insurance rates indicate.

164 Inches of Springs, giving that extreme riding comfort that only very long springs can give. Snubbers prevent rebound and insure the highest degree of smoothness over rough roads.

Long Leg Room in front and rear. The unique design of Whippet's body and cowl makes this possible.

Force-Feed Lubrication—The only light car with drilled crankshaft for full pressure lubrication to the main, connecting rod, generator shaft and camshaft bearings.

Adjustable Steering Wheel—enables you to raise or lower the steering wheel to the most convenient height. Either a tall or short driver may be entirely comfortable at the wheel of the Whippet.

Increased Speed—Whippet's superiority is also expressed in greater—and safer—speed; 55 to 60 miles per hour, and many owners say 65.

Greater Gasoline Economy—Whippet holds the A.A.A. Coast-to-Coast economy record of 43.28 miles per gallon. In a nation-

wide test among 5,508 owners, the average was 38 miles to a gallon.

Lower Center of Gravity—Whippet introduced lower center of gravity among light cars—for greater safety at higher speed—and still leads in this vital feature.

Faster Pick-Up—Whippet's pick-up of 5 to 30 miles in 11½ seconds gives you the advantage when the traffic light says "Go."

Silent Timing Chain—as used on the most expensive cars. Adopted after long experience with other types.

Other Important Features—Interchangeable Chadwick-type main bearings, single plate clutch, generator driven by silent timing chain, longer connecting rods, banjo-type rear axle housing with removable shaft, and modern Hotchkiss drive are other quality car features of the Whippet.
